## Kata pengantar – Indonesia

**D**engan tidak mutlak seperti kebenaran kita mengembara, dalam pikiran, dalam tubuh, dalam roh, kita bebas untuk ragu-ragu antara realitas dan mimpi untuk mencari hidup layak kelayakan kita. Sampai kenyataan, atau apa pun longgar membangun seperti kita menemukan diri kita ditelan oleh, menarik kita kembali ke mencolok-mengoceh di sini dan sekarang, ke arah beban dan komitmen melalui pemenuhan dan perjuangan itu tes impian kami untuk kebenaran.

Mungkin kebenaran itu bukan apa yang kita impikan itu; kata-kata dan perasaan wajib mereka sering awan definisi kita tentang konsep yang lebih umum. Siapa yang bahkan di antara Anda berbicara ironi kata tanpa ironis? Dalam dunia, dimana penggunaan kami yang paling umum ternyata seperti keluar menjadi satu-satunya definisi,

perjuangan kita, dalam sebuah lelucon lucu sehingga begitu kebetulan, untuk bertahan hidup, antara yang tertawa dengan kebenaran kita seperti menertawakan impian kita, sementara tidak pernah juga tidak baik dengan Terpisah Bumi ini.

## Summary

An epic adventure into madness, this series of alternate history short stories, explores the chains that bind the human spirit to the repetition of survival.

~~~

Information alone holds no truth within itself, until part of its whole is overlooked, ignored or removed, whereafter even the obvious can be understood, accepted or denied.

The United States, and the Soviet Union, divided by perspective but united in battle, find at the end of one war the beginning of the next; the printed word's march toward ultimate power, provided only by the distance it could cover.

## Preface – English

**W**ith no such absolute as truth we wander; in mind, in body, in spirit, we are free to waver between consciousness and dreams in search of a survival worthy of our worthiness. Until reality, or whatever loose construct of such we find ourselves engulfed by, pulls us back into the stark-raving here and now, toward burden and commitment through fulfillment and struggle it tests our dreams for truth.

Perhaps truth was not what we had dreamt it was; words and their compulsory feelings often cloud our definitions of the more common concepts. Who even among you speak the word irony without being ironic? In a world, where our most common use of such turns out to be its only definition, do we struggle, in a joke thereby so coincidentally humorous, to survive, among that which laughs with our truths as it laughs

at our dreams, while never neither does to  
either with this Fragment Earth.
